ARTICLE II

GRIEVANCE PROCEDURE

2-1 Definition

A grievance shall mean that there has been an alleged violation, misinterpretation, or misapplication of any of the specific provisions of this Agreement.

2-2 Procedure

- A. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise under this Agreement. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of this procedure.
- B. The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The failure of an employee or the Association to act on any grievance within the prescribed time limits shall constitute a waiver of the alleged grievance and will act as a bar to further appeal of that alleged grievance. An Administrator's failure to give a decision within the prescribed time limits shall permit the aggrieved employee to proceed to the next step. The time limits may be extended by mutual agreement.
- C. It is agreed that any investigation or other handling or processing of any grievance by the grieving employee or the employee's representative(s) shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of the grieving employee or of the teaching staff. The Administration shall determine whether an interference has occurred under this paragraph.
- D. All grievances must be presented within five (5) working days of the date of occurrence or knowledge of the occurrence of the event giving rise to the grievance.
- E. At all steps of a grievance after Step One, the Association and the Administration shall have the privilege to have representatives to attend any meeting required to resolve the grievance.

2-3 Grievance Steps

- A. Step One. An attempt shall be made to resolve any grievance under this Article through an informal discussion between the aggrieved and the aggrieved employee's building principal.

- B. Step Two. If a grievance is not resolved informally at the first step, the aggrieved employee shall file the grievance in written form, Schedule III (contained within this Agreement) with the building principal within seven (7) working days after the informal conference with the building principal. The written grievance shall state the nature of the grievance, spelling out the specific clause or clauses of this Agreement which have been allegedly violated, misinterpreted, or misapplied, and shall state the remedy requested. Within seven (7) working days after the principal receives the written grievance, a meeting at a mutually agreeable time shall be held with the aggrieved employee and the employee's representative(s), if requested, to discuss the alleged grievance and attempt to resolve same.

The principal, or other Board representative(s), shall render such decision and communicate it in writing to the aggrieved employee and the Superintendent within seven (7) working days following the meeting between the principal and the aggrieved employee.

- C. Step Three. In the event a grievance has not been satisfactorily resolved at the second step, the aggrieved employee, if the employee so desires, may file an appeal of the principal's answer within five (5) working days of the said written decision with the Superintendent and/or Superintendent's representative(s). Within seven (7) working days after the written grievance is filed, the aggrieved employee, the representative(s) of the aggrieved employee, if desired, and the Superintendent shall meet in an attempt to resolve the grievance. The Superintendent and/or representative(s) shall meet in an attempt to resolve the grievance. The Superintendent and/or representative(s) shall file an answer within seven (7) working days of the third step grievance meeting and communicate it in writing to the employee, the principal, and the representative(s) of the employee.
- D. Step Four. If the grievance is not resolved satisfactorily in Step Three, there shall be available a fourth step of impartial binding arbitration. If a demand for arbitration is not filed within twenty (20) working days of the third step reply then the grievance will be deemed settled on the basis of the third step answer. Grievances which have been processed through the preceding steps of this procedure and only such grievances shall be submitted to arbitration as provided below:

1. The aggrieved employee or representative(s) shall submit, in writing, a request to enter into such arbitration. The arbitration proceedings shall be conducted by an arbitrator to be selected by the two parties from a list of five arbitrators provided by the Federal Mediation and Conciliation Service. This request shall be in the form of a written communication from the aggrieved employee and his/her representative(s) which shall serve as a joint request. The parties shall determine by coin toss which party shall have the right to remove the first name from the list. Each of the two parties shall alternately strike one name at a time from the list until one shall remain. The party selected to remove the first name shall do so within three (3) working days after receipt of the list. Each party shall have one (1) working day to remove the next name.
2. The remaining name shall be the arbitrator. The decision of the arbitrator regarding a grievance on the contract under which the grievance was filed shall be submitted in writing within twenty (20) working days following the close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof. The decision of the arbitrator shall be binding on the parties. Binding arbitration shall mean the hearing and determination of a case in controversy by a person chosen by the parties.
3. The arbitrator shall have no power to alter, change, detract from or add to the provisions of this Agreement, but shall have power only to apply and interpret the provisions of this Agreement to the settlement of issues and grievances arising here under.
4. Each party shall bear its own cost and expenses of the arbitration proceedings excluding the fee of the arbitrator which shall be shared equally by the employer and the aggrieved employee or the employee's representative(s).

2-4 Other

- A. All meetings and hearings, under this procedure, shall be conducted in private and shall include only witnesses, the aggrieved employee, and their designated or selected representative(s) heretofore referred to in this Article.

- B. If any employee or Association files any claim or complaint in any form other than the grievance procedure set forth in Schedule III of this Agreement, then the School District shall not be required to process the same claim or set of facts through the grievance procedure.
- C. All documents and records dealing with the processing of a grievance shall be filed in a separate grievance file and not be kept in the personnel file of the participant(s).
- D. Unless agreed to by the Superintendent or designate, all grievances shall be processed outside the employee's work day.
